Hello Jennifer

I wanted to send a quick email to the wonderful city of North Sioux City, SD.

We attended the National Night Out last night with our family.

Everyone who was working or volunteering there was so kind and happy, even after 2 hours working the water slide!

We appreciate all that was done for my family, including the ling prep time, through the event, and clean up!

It was a great night, my children ended the evening with a harnessed ride on a firetruck ladder, does it get better than that! ???

Thank you for all you continue to do for my family,
