As used in this title:

"House of prostitution" is any place where sexual activity or promotion of sexual activity is regularly carried on by one or more persons for a fee, under the control, management or supervision of another.

"Inmate" is a person who engages in sexual activity for a fee in or through the agency of a house of prostitution.

"Nudity" is the showing of the human male or female genitals, pubic area or buttocks with less than a full opaque covering, or the showing of the female breast with less than a full opaque covering or any portion thereof below the top of the nipple, or the depiction of covered male genitals in a discernibly turgid state.

"Obscene material," the dominant theme of which taken as a whole, is material that appeals to the prurient interest and/or which is patently offensive because it affronts contemporary community standards relating to the description or representation of sadomasochistic abuse or sexual conduct and lacks serious literary, artistic, political or scientific value.

"Public place" means any place to which the public or any substantial group thereof has access.

"Sadomasochistic abuse" is flagellation or torture by or upon a person who is nude or clad in undergarments, a mask or bizarre costume, or the condition of being fettered, bound, or otherwise physically restrained on the part of one who is nude or so clothed.

"Sexual activity" shall have the same meaning as the term "sexual penetration" or any act, however slight, of sexual intercourse, cunnilingus, fellatio, anal intercourse, or any intrusion, however slight, of any part of the body or of any object into the genital or anal openings of another person's body.

"Sexual conduct" is any act of masturbation, homosexuality, sexual intercourse, or physical contact with a person's clothed or unclothed genitals, pubic area, buttocks, or if such person be a female, the breast. (Ord. 378 § 13, 2002)
