15.16.010 **Generally.**

Buildings and building sites in the city, shall be numbered in accordance with the rules and regulations set forth in this chapter. (Prior code § 2.0201)

15.16.020 **Base lines.**

The principal base lines for numbers of buildings and building sites on streets running east and west shall be River Drive, and the principal line for numbers on streets running north and south shall be as follows: Avondale addition shall use Parkside Avenue; original town shall use Wallace Street; Airport Addition shall use North Main Street. (Prior code § 2.0202)

15.16.030 **Significance of the hundred in any number.**

The hundred in any number assigned to any building or building site shall indicate approximately the number of blocks the building or building site is from one of the principal base lines indicated in the previous paragraph. There will be exceptions to this general rule, but in every case in which the number is large, the building or building site is distant from the base line and any building or building site whose number is small is close to the base line. (Prior code § 2.0203)

15.16.040 **Odd and even numbers.**

Building and building sites shall be so numbered that: (a) only even numbers shall appear on the north and west sides of streets; (b) odd numbers shall appear on the south and east sides of streets. (Prior code § 2.0204)

15.16.050 Responsibilities.

The city shall be responsible for placing of and maintaining of street markers, but the owner of said buildings and building sites shall be responsible for securing and placing of house numbers. (Prior code § 2.0205)

15.16.060 City auditor authorized to assign numbers.

The city auditor shall be authorized to assign numbers to all buildings and building sites within the limits of the city in accordance with the regulations set forth in Section 15.16.040. All ordinances or parts of ordinances that are in conflict with this chapter are repealed. (Prior code § 2.0206)
